

Interagencies, Networks and Forums in Western Sydney

The list below is provided by the Western Sydney Community Forum to help community services workers make contact with the interagencies, networks and forums in Western Sydney that are relevant to their work. WSCF works mainly to support the work of the non-government, community services sector so our list of interagencies reflects that interest.

If you know that some of this information is incorrect or out-of-date we would appreciate it if you could email us as wscf@wscf.org.au or telephone 02 9687 9669. If you want to be included or removed from the list, have any comments or difficulties, also please contact us. We would appreciate your feedback. If you are on this list and worried about receiving spam, please contact us and we will remove the @ sign from your address.
