

## Interagencies, Networks and Forums in Western Sydney

The list following is provided by the Western Sydney Community Forum to help community services workers make contact with the interagencies, networks and forums in Western Sydney that are relevant to their work. WSCF works mainly to support the work of the non-government, community services sector so our list of interagencies reflects that interest.

If you know that some of this information is incorrect or out-of-date we would appreciate it if you could email us as [wscf@wscf.org.au](mailto:wscf@wscf.org.au). If you want to be included or removed from the list, have any comments or difficulties, also please contact us. We would appreciate your feedback. If you are on this list and worried about receiving spam, please contact us and we will remove the @ sign from your address.

## Community Net

[www.tricomm.org.au/communitynet](http://www.tricomm.org.au/communitynet)

Community Net carries online minutes and calendars for many interagencies in Western Sydney. Go to their home page and use their left hand menu item "Resources" or you can follow this link - [http://www.cnet.ngo.net.au/component/option,com\\_docman/Itemid,288/](http://www.cnet.ngo.net.au/component/option,com_docman/Itemid,288/)

## Ethnic Communities Council of NSW

The ECC publishes on the internet a comprehensive list of language, ethno-specific, multicultural, migrant and youth interagencies networks and forums for the Greater Sydney region and NSW state-wide. You can download this directory from:
