WSCF AGM Wednesday 26 November, 9.30 for 10am to midday

Why would you come?

- Find out about the UWS Centre for Social Impact and how it will assist the work of non-profit sector - Guest speaker Peter Shergold ,CSI CEO - he'll tell us lots about our sector -for instance we are 7% of the total workforce & provide 7.5% of GDP.
- Hear more about why local grass roots organisations are important to our diverse community sector and get your copy of *Think Local* - the latest Voice for SONG booklet, hot off the Press.
- See the work of Western Sydney Community Forum and WESTIR over the past year and help us plan to be a strong voice for the region in 2009.
- Collect your copy of WSCF latest resources: 2008 up-date of *Making Great Interagencies, Networks and Forums*; the *WSCF Transport Position Paper* and the *WSCF Strategic Plan 2008 2011*.
- Network with your colleagues and extend your connections with other agencies in the west.

We urge you to be active members of WSCF. It enables us to represent you well and be a strong and representative presence to government, thereby influencing social policy and program development. And it helps us build unity and collaboration across the region. Both benefit you and our communities.
